When you gotta go, you gotta go... And when Leah needs to get freaky in the bathroom with someone, anyone, that's exactly what she does. We were dragged in here after having met her literally five minutes earlier at a party. "It's so boring out there," she grinned broadly while whipping off her smalls. "How about we have a little party of our own in here. Or how about a big party by the look of your trousers!"

Sunday service

When my boyfriend left for his game of Sunday league, we had a row and I told him that he had a tiny cock that he didn't know how to use.

I felt a bit bad, so I thought I'd cheer him up. I put on a really short nightie and lay on the settee waiting for him.

I dropped off, and woke to the sound of voices. It was my boyfriend and two mates. I looked at them,

LAUREN, DERBY

and my boyfriend smiled.

Both his mates stripped to their pants. Then one got his cock out – just the size I like: massive!

I opened my legs as wide as I could, and he came over and slid his rod inside me. He

started pumping me as fast as he could.

I came twice in two minutes before I felt a hot feeling in my pussy as he spunked up me. As he pulled out, the other one jumped in.

He was just as long, and as thick as a tree trunk. He pushed his cock up inside my throbbing hole as far as it would go. I thought it'd never stop.

He inched it in and I thought he was going to split me in two. Then he pulled right out to his bell-end and slammed it back in again. He started to drive into me hard and fast until a really strong orgasm raged through me. Before long he too jerked and shot jets of hot cum into my cunt.

Later, when they were hard again I took both their cocks, one up my cunt and the other up my arse. It was amazing having two cocks rubbing together inside me.

When they left my boyfriend fucked me three times. The next day I couldn't sit down, but neither of us said anything about the night before.

Lauren, Derby.

Gentleman gym

Looking some of the women who work out is my main reason for going to the gym.

One girl in particular, Janine, is a total babe. I'd say she works her arse off to look that good, but actually her arse is one of her best features – all ripe and firm and gorgeous. Her tits aren't bad, either – I'd guess a C-cup.

Anyway, I'd done about an hour on the weights one day and rewarded myself

by spying on Janine's spin class. It was almost hypnotic – watching the way her arse pressed against the saddle then waggled in the air as she rode the bike. She must have seen me because, after I'd showered – once I'd "got rid" of my hard-on in the bog! – she came up to me in the foyer and asked did I want to join in next time. "You've seemed pretty interested in the class for a while," she said, sarcastically.

what I was interested in and told me to follow her to a storeroom. "I should have had you chucked out for stalking me," she said, in between snogging me, "but working out always gets me horny."

I could not believe my luck. She pulled her tits out of her sports top and as I sucked her nipples she shimmied out of her trousers and panties, letting them drop to the floor. "Down,

boy..." she grinned, and gave my head a push, until I was on my knees, my face level with her crotch as she stood with her back against the door.

Then she tipped her hips forward and pulled my face in between her parted thighs, rubbing herself against it. Though she'd showered since her class, her pussy had a sexy smell.

"Sometimes I rub up against the saddle..." she breathed. "I can cum from that."

face, feeling her grip tighten on my hair when I hit the right spot.

My cock was already stiff again. As I stuck my hand down my trousers for a wank, she told me to use it on her instead. At this point, I had three fingers up her snatch, while sucking and tonguing her clit – that's what really seemed to do it for her. So all I could do was reach around the back of her, slip my hand in the crack of that gorgeous bum and slide a wet finger up her arsehole.

She started thrashing away against my face, fondling and squeezing her own boobs as I got her closer to orgasm. At last her muscles spasmed around my finger, and a load of juices ran out soaking my hand. I pulled my fingers

out of her and clamped my mouth over her hole, so I could drink them down. She

I had to content myself

with a vision of her bending over naked as I slapped and pulled my cock to a climax.

We met up the next week and she did more than wank me off, believe me!

MEAT THE WIFE!

As raw as a steak tartare, this is sex in all its imperfect glory. Your Choice's Viewers' Wives 62 features only real British couples, really shagging, in real locations. It's very hot, very rude and will make you wonder why people waste time watching boob-jobbed toothy Californian types faking enjoying double anal. The scene where Stacy and Sam double-team one lucky lad is a must-see!

PLAYING DIRTY

New Game of Thrones parody aims to help you avoid Theon Greyjoy's genital fate by encouraging you

(half way through the movie no less!) to feel for lumps in your nads. Star Eva Loria demonstrates on behalf of testicular cancer charity Blue Ball Foundation.

THE LADY'S NOT FOR URNING!

I rather fancied this dead sexy dildo '21 Grams' - until I learned it's designed to contain the cremated ashes of a loved one! Well, I've had sex with enough zombies in my time! Perhaps I could use it as a post-coital ashtray?

JESS IS MORE!

In over a decade of fucking and sucking, platinum-haired prick swallower Jesse Jane (inducted into the AVN Hall of Fame in 2012) has appeared in some of the biggest porno releases of all time. She's also given the lads in the office some of their biggest releases of all time. Now you can see what all the fuss is about in the commemorative *The Best Of Jesse Jane* from DP.

Dear Julia

I liked your description of wine buff (in the buff) Hannah Shaw in *Escort* vol 35 no 5 as "silky, supple, sensual, seductive". That sounds like a pleasure I would like to savour over a long evening by the fire. As for you Julia, providing us with all these wonderful girls... you're clearly a champagne: young, fun, effervescent and bursting with flavour!

Julia says: Think more of a snakebite - I'll have you flat on your back in no time!

Dear Julia

I was counting down the days till I could see Kacie James again in your wonderful magazine (vol 35 no 5)! I've always had a thing for birds in prison - I

even had a rather misguided wanking session to *Prisoner Cell Block H* many years ago that has haunted me ever since. Glad to see the quality is a bit better in *Escort*!

James, Market Harborough.

Julia says: Kacie was counting down the days till her next centre spread. If we hadn't run the pictures, she'd have been up on the roof with a misspelled sign, wrapped in a blanket and chucking tiles at us.

Dear Julia

You're quite right that flying is hardly the sexy experience it used to be. On a flight last week I had to ask three times before I could get a drink. The air hostesses were grumpy cows with not a hint of flirting. A kid was kicking the back of my seat and quite put me off while my wife jerked me off in my seat under my coat. Thanks to Kitten (vol 35 no 6) for showing us how air travel should be done!

Julia says: Sounds like your 'jet' wasn't as 'Easy' as it usually is!

★ MISHA'S
IMPOSSIBLE!

Misha's impossible, yes... to her boyfriend, who just can't keep hold of her. "He went to the shop the other day and when he came back I was shagging a salesman on the living room rug," she confides in us. "Then we went for a meal and I twiddled one of the waiters off in the corridor while he twiddled his thumbs at the table. Luckily for me he gets off on me being a total slut!"

REAL WIFE SEX

Meg, Doncaster

Steve tells of a session of sheer delight with a hairdresser. Of course he gave her a big tip...

When I got a letter calling me to a job interview the next day, it came like a bolt out of the blue. I had the suit but my hair looked shite, so I rang a mate of mine, Rob, to see if his girlfriend Meg, a hairdresser, would be able to give me a trim. Meg answered the call and, although Rob wasn't in, she said to come over and she'd sort me out.

Twenty minutes later I was sat at her kitchen table with a raging hard-on. I've always got off on having a bird run

her fingers through my hair and Meg's fantastic boobs were at eye level. Even when I couldn't see them directly, they were reflected in the big mirror she'd propped up on the table. She didn't have a bra on and they bounced every time she moved. A couple of times they brushed against me, which sent sparks right to my crotch.

Once she'd finished, I gave her a thank you hug and planted a smacker right on her lips. The horny look she gave me was enough to have me thinking, "Fuck it" –

next thing we had our tongues in each other's mouths.

Then I asked her about Rob. I knew I couldn't trust myself to give a toss about him much longer.

Meg told me he liked to watch her fuck other men. "I always told him I fancied you, but he didn't think you'd be up for it," she said.

I lifted her skirt and spread her thighs, breathing in the sexed-up smell of her. I nuzzled her a couple of times through her knickers, then pulled her gusset to one

side and tongued along her slit. .

I was aching to fuck her so I stood up and pulled her knickers down and off, kissing her inner thighs as I went. As she wrestled her top off, I had a little play with her cunt – small and neatly trimmed, and so pink when I parted her labia with my fingers. She had the cutest little arse, too, and I asked her to roll onto her stomach. I set the mirror up so we could see ourselves in it, then got in behind her.

Fuck me, the feel of that tight, wet hole as I sank into it – and my cock went in

even deeper as I splayed her cheeks with my hands. I saw her looking in the mirror and as she caught my eye in it she gave

me a dirty little smirk, before she shut her eyes and just went with the feelings as my cock pumped in and out of her.

A few minutes in we heard the front door open – Rob was a bit early. When he found us, all he could say was, “You could have fucking waited.” Then he just stripped off and started wanking his prick.

Without pulling out, I managed to slide Meg around so she was lying across the width of the table. As I carried on fucking her, Rob fed his cock between her lips. It

HELLO BUOYS!

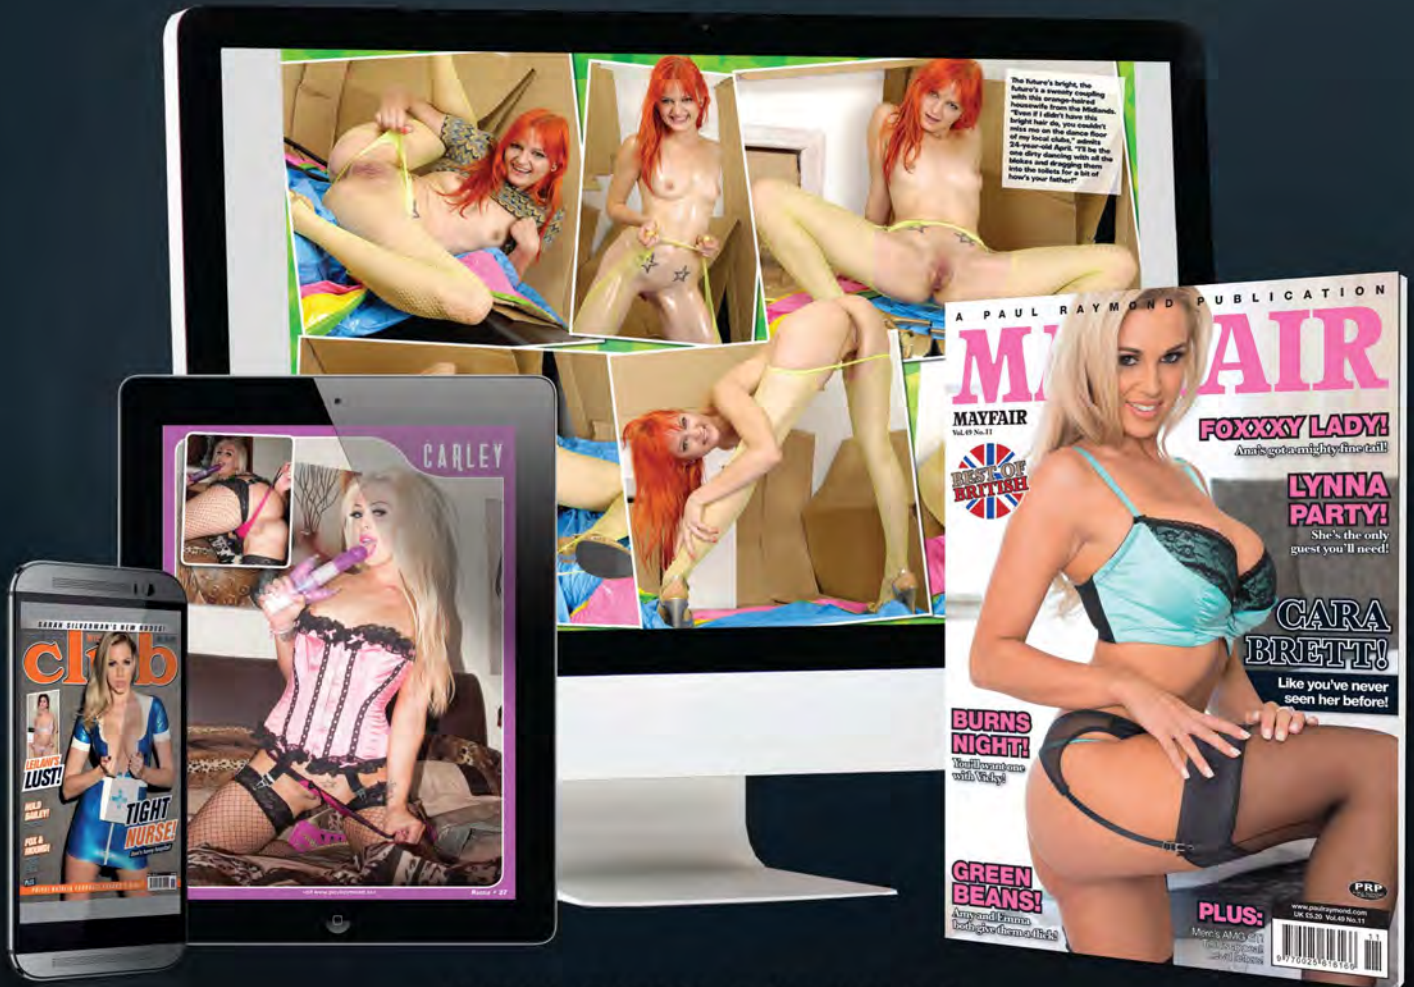

Batten down the snatches... Alexa is looking shipshape and her Bristols are certainly in fashion! "I've always dreamed of having a naval officer as a boyfriend," cooes the 24-year-old landlubber from landlocked Northamptonshire. "That white uniform just does something to me. Of course if we went away to sea together and I was the only woman, he'd have to order me to be shared out amongst his crew. I'd suck and fuck them till I was sprayed with salty cum!" CHRISTEN

**Morning
Glory**

We used to consider a full English the dish we most wanted to see oozing quietly on our breakfast bar in the morning. We take it all back now we've met Christen. A recent newspaper story told us that men's sex drive was highest at 7.45am and women's at 11.21pm, but Christen refutes that. Spreading her long smooth legs out on our kitchen work top, she purrs: "It's 8am by the clock and I feel horny as hell. Don't you want to tuck in, boys?"

No secrets

My husband Gary and I have got no secrets from each other, and we've even fixed up "bits on the side" for one another.

One of my best experiences was when Gary invited Ryan, an old schoolmate of his, to stay. I'd met Ryan at our wedding and liked him, and when Gary told me he'd just split with a girlfriend, I got the feeling I'd be doling out more

turned my knees to jelly and gave me an instant juice-up. Hell knew what I'd be like when he used his cock on me!

Gary was there too – I saw him in the mirror, grinning all over his face and rubbing his crotch. I let my robe slide to the floor, then turned around and watched them as they rushed

skin between them as I sucked him. Meanwhile, Gary had got in behind me and was stroking my slit as he watched me go down on his mate. All the while I tried to focus on sucking Ryan's cock as my husband pumped two, then three, fingers in and out of my cunt. I only faltered as I came to orgasm.

I soon picked up where I'd left off, though, and didn't even miss a beat when I felt Gary

fumbling with my arsehole. He loves fucking me up the

GARY STROKED AND FINGERED MY SLIT AS HE WATCHED ME GO DOWN ON HIS MATE

than sympathy.

He was as gorgeous as I remembered, and a few drinks really got the sexy conversation flowing. It was soon clear Ryan fancied me like I fancied him, and that we were all up for a threesome.

I went up to the bedroom first and put on a slinky robe, then someone – Ryan, I realised, came up behind me and gave me a kiss on the back of my neck, which

HELENA, LANCS

to strip off.

I thought I'd start things off by giving Ryan's cock a sucking. He stood at the foot of the bed

as, on my hands and knees, I stretched my mouth around his thick tool. He had the most massive pair of balls I've ever seen and I cupped them and traced the seam of

bum and tonight being one of those 'anything goes' nights, I just relaxed into it. Then I realised he wasn't about to ease his cock up there – he'd taken one of my vibrators

off the bedside cabinet and was going to use that on me instead.

He pushed it in me, dripping with lube, right up to the hilt, using it as a butt plug. He didn't switch it on – he wanted me to feel his cock going up my cunt.

He'd done this a couple of times before and it had always meant the tightest fuck you could imagine. And picture me, crouched there with one huge, salty prick in my mouth and my husband plugging my other two holes.

All I needed was a couple more guys lying underneath me so they could suck on my nipples and I'd probably die of orgasm overload!

But it wasn't me who came first. I'd been sucking on Ryan's cock for a while now, and he was getting right up to the edge. I took a big, deep breath and sucked him right down my throat, and when I felt the first jet of his spunk, I drew my head back so my tongue rasped against his spouting helmet.

When I'd drained him of every last drop, I let his shaft slip out completely. It was still sticking up stiff, pointing right at my face.

CONTACT ME

Gary was still pumping away, his cock buried in my cunt as he twisted the dildo in my arse, and suddenly all the pleasure came to me in one big rush. Every muscle clenched tight, then quivered around the two fat lengths inside me.

I had trouble holding myself steady so Gary pulled me upright, cupping my tits as my arse pressed up against his crotch. I almost passed out as he filled my pussy full of hot spunk.

He pulled out, laying me gently on the bed, and when I opened my eyes Ryan's crotch was right in my face again. His cock was soft now that he'd cum, but it didn't stay that way for long!

Helena, Lancs.

Tasha

**Wank like
an Egyptian**

Tasha has a go at penetrating the mysterious secrets of the Pharaohs, but we have reason to believe she'd rather be penetrated by them. Here's a riddle of the Sphinxter for you, Tasha. What walks on four legs in the morning, two legs in the afternoon and three legs at dusk? "What sort of nonsense is this?" she replies. "You might as well ask me what I'm going to have for dinner tonight!" Well, as the answer to both questions is "Man" we think she might be better at this than we think. "A man, that's right. And he's going to Nile me to the wall, I hope!"

Confessions of a

SEX ADDICT

PLAYING THE NUMBERS GAME

Is it really a case of "the more the merrier" for group sex aficionado Tiffany Snow? Or does a torrid tête-à-tête float her boat more? Hmm, that's a hard one. Or should that be lots of hard ones?

it's such a blur of cocks and cum everywhere that the guys' looks are not even important as all we really see are the cocks.

I love being the centre of attention so much that I have done it for free a few times, like the time I went to a now-closed sex cinema on a cold Thursday evening in Kings Cross, London. The underground cinema was dark, dingy and smelled of cocks. I was only 19 and a little nervous. When I walked out and sat on the front

row I was suddenly surrounded by guys. They sat in every single seat around me. Before then they had been sitting at the back in the dark but spotting me they had all moved in close in the hope of getting some action. Obviously being British they were all trying to make out they were casually just moving into a better seat to enjoy watching the porn film being played on the screen.

I had a male friend with me for support – my plan was to start sucking him off and then get off on being watched. It certainly didn't go to plan. As soon as I leaned over and pulled out my friend's cock I was dimly aware that the throng of males around me had started wanking. Soon I was having dicks thrust into my face. I thought I'd just go along with it and start sucking

on whatever was offered to me. I didn't even see the guys' faces or who they were, but I

became a reality and the excitement of it all was too much for them.

After just five minutes I must have had about 15 cum loads all over my face, tits and hair. They were pushing each other out the way to try and get close to me.

Fortunately my male friend had managed to get me positioned in a corner next to a strangely out-of-place sofa right below the screen.

So they were not able to get behind me. After ten minutes I was so drenched in spunk that I

After just five minutes in the cinema, I had 15 cum loads all over my tits, face and hair

would guess that only the most desperately horny of men would be sitting wanking in a sex cinema at 5pm on a Thursday. I think they were totally unable to hide their excitement at the reality that after years

had to call an end to it.

It was unbelievably intense and I certainly enjoyed knowing I had turned so many men on in such a short space of time. As I made my way to the bathroom, past many sighing and disappointed guys who hadn't managed to get their turn, I was stopped by the owner of the cinema. He had actually got someone else to watch the front desk and come down to ask if he could have a blowjob. I considered that as

of watching porn and reading other people's experiences they were the ones now having their cocks sucked by a hot 19-year-old blonde girl blowjob expert. Their porn fantasies had finally

As an experienced bukkake party and orgy girl, many guys ask me if it's better for a girl to have more guys to play with or if it's a case of "less is best", that intimate one-on-one sex sessions are more fun.

I would say that both have different qualities that make them a lot of fun. You might be surprised to know that the sex parties I organise with my friend are actually less profitable than if we spent the day doing one-on-one meets with guys instead. So why do them? The main reason is that I, and the girls I do them with, genuinely love them. Women are not that different to guys and if you were a guy and had an offer to have 20 to 30 women come and have sex with you, then you'd probably think you were in sex heaven. The thing with large group sex sessions is that

he had been polite and friendly on the way in, I would perform this one last favour: he came in seconds all over my now very sticky face.

It was so funny trying to make it to the bathroom being followed by so many pleading guys asking me to consider just one more blowjob. I definitely left them wanting more! The sheer numbers in that case made the experience better for me because one of my biggest turn-ons is a man cumming on my face. It is such a huge turn-on seeing a guy going into a state of pure bliss with a huge moan as he is unable to contain himself any longer.

Now consider a one-on-one session I had with a guy I met on a swinging site a week later.

We booked a room and met up after heavily flirting for three weeks. We spent the whole night having sex in so many different positions. In the morning we even drove out to a wood to have some filthy fun in broad daylight which is another fantasy of mine.

I think you can imagine that I didn't cum from my session in the sex cinema but I did think about it a lot while masturbating for months after that. Whereas the dirty weekender let me have lots of orgasms and even though I never saw him again the sex was intense and I felt like we had a week of hot, horny fun. So sometime more isn't better and less is more fulfilling so there are definitely advantages to both.

NATASHA

"I work in a restaurant where every night without fail my boss would ask me to show me his boobs." We know the type, Natasha. "I always said no, and would call him a perv. But one night I was feeling horny so I said, yes. As I shrugged off my top and pulled down my bra, he looked like he'd had an electric shock. He's married and he told me he hadn't seen another pair of boobs for ten years. So I pulled my panties down and said, 'What about one of these?' We ended up fucking in the kitchen. He must have been saving up his spunk because he did me three times!"

Muff stuffers

I've always been a right slut and up for trying anything. I got obsessed with the idea of trying girl on girl sex for myself, and so I answered a dating ad.

I left a few messages and the first response I got was from Leah. We met and she was gorgeous – tall with streaky blonde hair and a great figure, a real lipstick lezzie. I told her I'd never been with a woman before and she said, "That's okay, I'm married so I'm not looking for anything too serious."

The next week I took a day off work and went around to Leah's flat. After a couple of glasses of wine to loosen us up, we cuddled up together on the sofa. I started kissing Leah and I felt my pussy tighten again as I slipped my tongue between her luscious lips. She hitched my top up so she could cup my tits, so I helped her out of her clothes. Her

same to her, and because her snatch was shaved completely bald she felt ultra-wet and slippery.

I swivelled myself around and, as I sunk my face in between her legs, she started licking my slit. It felt so amazing, having Leah's tongue flicking my clit and penetrating my wet fuck-hole as I licked her. Soon we were both bucking against each other's faces as our orgasms built, then Leah let out a cry as she came. I could taste her cum-juices and

screamed so loudly that Leah had to put her hand over my mouth so the neighbours wouldn't hear me.

Now it was my turn to strap on the dildo. It wasn't long before Leah was moaning with pleasure

pussy was shaven – such a fucking turn-on – but I wanted to take my time, so I started with her boobs. I fondled them, then started sucking and nibbling at her nipples until they were stiff.

As we snogged and ran our hands all over each others' bodies, her hand moved downwards and slipped in between my thighs. I did the

she orgasmed so hard they splashed all over my lips as well as my tongue.

Then it was my turn, my knees trembling as she grabbed my arse and pulled me even harder onto her mouth, so she could ram her tongue inside my hole.

Next Leah strapped on a big black dildo and told me to get onto all fours. It felt great as the cool length of the dildo

penetrated me slowly, inch by horny inch.

As she thrust into my cum-swollen pussy she reached round with her hand to rub my clit. The stroking and pummelling my pussy took was almost too much for me – it only took a couple of minutes for me to cum. I

and, as I screwed her with the fat rubber shaft, I raised myself up on my hands so I could lean forward and lick her nipples.

I'd love to bring my boyfriend in on our relationship – and maybe even Leah's husband!

Busty bespectacled office manager Julia runs a tight ship. "They all think I'm a bit scary!" she says. "But if only they knew! Last Friday the team went on a bonding night. We went to a karaoke club and after too much wine and duetting with one of the designers, I kissed him at the bar while the others were watching the show. I pretended I had to go home and made arrangements to meet him in half an hour back at my flat. He fucked every hole and I sucked up his sperm like a Dyson. I was so uninhibited! Now I email him with a codeword at work if I need a good fuck after a really boring meeting! Work has never been better!"

REAL WIFE SEX

Meg's story continued from page 19

Meanwhile I could feel her pussy clamping tighter all the time around my shaft. I lifted her legs up to rest against my shoulders, and started fingering her clit. It did the job a bit too well – soon she couldn't handle deep-throating Rob's cock, but the harder I fucked the harder she sucked on his knob-end, so we were all getting pretty close to cumming. Meg was

I slapped my prick out on her mound and shot my load over her stomach

was so fucking weird – I went way back with this bloke and here we were, a cock in each end of his horny girlfriend. At first we worked it so I'd thrust inside her, shoving her mouth gently on to his prick. Then we were fucking in at the same time.

After a while, Meg stopped and said she was going to roll onto her back. No problem – I'd had plenty of her arse and I'd get to watch her little tits wobble as we shagged. Rob messed around, rubbing his cock over her face and lips as she craned her head right back. This way, when she started sucking him again, she was able to take his prick right down her throat.

first. As she moaned, Rob's shaft slipped right out of her mouth, leaving a sticky trail of pre-cum. I just carried on playing with her clit as he wanked himself above her face. He was next, leaning over so he could splatter her tits as his spunk jetted out of his tip. I stayed inside her as long as I could – she felt so tight and hot around my shaft – but when I couldn't hold back any more I pulled out, slapped my prick down on her mound, and shot my load all over her stomach.

The next Friday down the pub I had a couple of quiet words with Rob. I wanted to know why the hell he hadn't told me Meg had the hots for me if he was up for watching her shag other men. He said he'd thought I wouldn't be into it.

I said I'd forgive him if he let me fuck Meg up her arse. I said why not let Meg decide. I got my mobile out and told him to ring her up and tell her to be ready for me, as I was going round to their place right away. I even took his keys to let myself in, and I got my answer: I found her, nude except for stockings and suspenders, on all fours on the living

room rug. She'd even lubed up her asshole and warmed herself up ready for a bum-fucking with her vibrator. I pushed in slow but easy, and she used the vibrator on her clit as I pumped her, finally losing my load deep in her arse.

Good thing we weren't mid-fuck when Rob came back from the pub and rang the doorbell – would you have stopped to let him in?

KELLY

When the fire drill commences, do you assemble neatly outside your offices with the rest of the sheep, or do you run off with the randiest firefighter to extinguish your pent-up lust? No prizes for guessing which option Kelly plumps for. "I'm a fire marshal so if I disappear for 15 minutes everyone thinks I'm doing important stuff. Usually my pussy's getting pumped with spunk in the empty office by some randy fireman!"

Work mating

My workmate Nicola and I got on fine as professionals, and although she wasn't bad-looking, I wouldn't have given her a second glance in the street.

Strange, then, that after a couple of months my bollocks ached every time I laid eyes on her. I'm used to women fancying me and her total lack of interest just made me want to screw her bloody brains out – I like nothing more than a challenge.

I was ready to give her up as a dead loss when something happened out of the blue. As she walked past my desk one day she dropped a notepad, and bent down to pick it up, her arse square on to me. Her skirt – which had a split in

the back – rode up exposing stocking tops and lacy suspender straps. As she walked out of my line of vision, I started to think maybe I'd imagined it. Then, ten seconds later, there she was again. "A word in private?" she said and we went out into the corridor. "Are you really wearing stockings and suspenders?" I asked.

She sighed, but raised her skirt right up, showing me I'd been right. And I saw she

wasn't wearing knickers.

We ducked into a big stationery cupboard.

This time she unhooked her skirt, letting it fall to the floor. I didn't waste time – as we kissed, I started stroking her pussy, ruffling her pubes then fingering

Someone had put an old office chair in the cupboard and I got Nicola to sit down on

it, with a leg hooked over each of the arms. She looked so sexy, so filthy, with her pussy naked and laid open, and I buried my face in it, drinking down her juices.

Then she knelt on the seat,

her deep in her hole. She was already soaking wet and started to moan as soon as I started playing with her.

Breast is Best

Men love my tits and my nipples are great to suck on – big, fruity and

One night I pulled a bloke called Liam. Back at my place we were snogging away and, sure enough, he started thumbing my nipples.

I gave him one more kiss, then shoved my tits right in his face, wiggling my shoulders so they slapped him gently around it. He played along, squishing them together around

his face, then moving his head from side to side. "Aah..." I moaned.

I stood as much of that as I could then breathed "Suck me..." into his ear. Instantly, he took them right into his mouth, which made them stick up really stiffly and turn even darker pink. "Don't stop..." I'd beg him, every time he stopped for a breath, running my fingers through his hair so he wouldn't move his mouth off my tit.

After a few minutes of me writhing against his hard-on, though, he was begging me to let him fuck them.

We switched positions, so he was kneeling over my chest. His prick was ultra-hard and looked even huger

body shake as I wet a couple of fingers with her juices, then slipped them inside her arse. She began to finger her own clit and begged me to carry on licking and playing with her until she orgasmed, very wetly, in my mouth.

I had to wait a week until she wore the split skirt again, and I got a flash of stocking as she took a file from a low drawer seductively. Half an hour later, my mobile rang and her voice said, "Get your

That woman knew how to drive me wild. So much so that, a year later, we're now married!

before his whole body went stiff and, his cock jerked in between my boobs as he pressed them even tighter around it. After a few final, lightning-fast thrusts, he let them go, so his prick was resting along my breastbone. As he started to shoot his load, his spunk sprayed in creamy splatters all over my tits, throat, and face.

Every time Liam rammed in hard, his helmet would slip out of the top of my cleavage. It looked so horny, all purple and engorged, and I was dying to take a lick at it, but then he started fucking me with shallower thrusts and stirring it around deep between my boobs.

It didn't take much more

He came so hard it took everything out of him, so I just satisfied myself, enjoying a long, slow wank as I played with his spunk. It wasn't long before he was raring to go again. We had about three more fucks that night but I know he will remember me for the tit-wank.

Filly games

Lisa, my wife, is a complete nymphomaniac and especially loves flashing strangers.

She's always got sex on the mind and forever gets involved in shagging shenanigans.

One Sunday night we were out and Lisa was wearing just a skimpy pair of panties and a long coat. I knew it was going to be one of those nights.

We passed an adult cinema which was for men only, but Lisa asked the doorman what time it booted out. He told her it was about ten minutes and she made me park up a few yards down the road.

I asked her what the plan was. She told me that every bloke coming out would have the horn

her lovely tits were pulled over the top of her bra, nipples erect.

The very first bloke out noticed my wife and slowed down. I nodded to him and said, "Hand-job special, ten quid."

He gave me a tenner and

up to his eyebrows. It was the least she could do to relieve them, charging a tenner of course.

jumped in the back. Lisa had his cock out in a flash.

She began to wank him while her other hand was fingering her cunt and clit.

Her tits were right out in his face and he went to suck on them. Five quid a tit, my wife told him. He bunged me another tenner and plunged his face between her juicy baps.

He shot his load straight after that and Lisa was ready with a towel. She managed to wank off three men that night and earned herself eighty notes.

That's just one of the games she plays. Anyone want to know what else she's up for? She's unshockable so just try the dirty cow!
